"COPE literally saved my life. 6 years ago my son passed away suddenly.

No warning. I was desperate for help. 2 years had passed and I was struggling immensely. By the Grace of God I found COPE. I am so grateful to all that work and volunteer at COPE."

– AC

"It's comforting to know that there is a place I can go where other people truly understand my pain."

– BC

"Until I discovered COPE, I had never known anyone who had suffered the loss of a child. I now know people who understand my pain and grief, and I can find support whenever I need it."

"After my sister died, I didn't feel the need to go to
any support groups because I thought I could
cope on my own. It wasn't until I started attending
the COPE sibling group that I realized I needed
the support and sensitivity of people who have
suffered a similar loss." – GJ
